**Petition for Reconsideration of  
FCC Form 471 Filing Deadline for Funding Year 2015  
RE: FCC Form 471 BEN 136870**

---

**I. INTRODUCTION AND SUMMARY**

The Crystal City School District 47 (“Crystal City District”) serves low income pre-kindergarten through Grade 12 children in Jefferson County Missouri. Since 2014, Crystal City District has been a very small but successful participant of the E-Rate program.

The Crystal City District submitted and certified their Funding Year 2015 FCC Form 471, 1052437, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, Form 471, June 2, 2015.

A part-time technology staff assistant took a 3-week sabbatical out of the country (Netherlands) during the Spring of 2015. The District’s Technology Director’s son, who is a student, as documented by the attached ambulance invoice--had a specific and unpredicted medical

incident where he dislocated his patella in April of 2015. This unpredicted medical event, teamed with the assistant's leave caused a catastrophic circumstance for the district (missed the 471 filing deadline). The 2015 Form 471 is the same as approved for the 2014 funding year (no additions) and is used for Priority 1 connectivity as per the funding mission of the FCC and USAC.

## **II. Request**

The Crystal City District respectfully petitions the Commission to request a reconsideration of the Funding Year 2015 FCC Form 471 filing deadline on behalf of the Crystal City District to allow the Out of Window submission of their E-Rate Funding Year 2015 FCC Form 471 1052431.

Respectfully submitted,

---
